1. The extent to which the project is institutionalized at the end of the project period; and
2. The extent to which funded projects increase enrollment, persistence, and completion rates of veteran students at their institutions.
3. Other

Each FIPSE program has between 1 and 10 categories, or Absolute Priorities, that Performance Measures must fall under. Grantees should strive to ensure that all prescribed categories are represented by the work being performed on the grant.

If you have a performance measure that does not fit neatly into one of the prescribed categories, you may select the "Other" category. The Other category is optional and simply provided for your convenience; you are not required to use it.

Grantees should strive to ensure that all prescribed categories are represented by the work being performed on the grant. However, you will be able to submit your report even if all categories are not addressed.
