

Performance Measures**Transition and Postsecondary Programs for Students with Intellectual Disabilities (TPSID)****P407A**

1. The percentage of students with intellectual disabilities who are enrolled in programs funded under TPSID who complete the programs and obtain a meaningful credential, as defined by the TPSID Program Coordinating Center established under section 777(b) of HEA and approved by the Department.
2. Other

Each FIPSE program has between 1 and 10 categories, or Absolute Priorities, that Performance Measures must fall under. Grantees should strive to ensure that all prescribed categories are represented by the work being performed on the grant.

If you have a performance measure that does not fit neatly into one of the prescribed categories, you may select the "Other" category. The Other category is optional and simply provided for your convenience; you are not required to use it.

Grantees should strive to ensure that all prescribed categories are represented by the work being performed on the grant. However, you will be able to submit your report even if all categories are not addressed.
